

ARROW SAFETY

OCCUPATIONAL HEALTH & SAFETY CONSULTANTS

service of **excellence**

COMPANY PROFILE

Construction Health and Safety Agents

Arrow Safety implements Occupational Health and Safety Systems that makes your business more profitable, conduct safety audits, provide safety consultants, health and safety specifications, safety advice and health and safety documents.

ABOUT ARROW SAFETY

Arrow Construction Health and Safety Agents is a subsidiary company of Arrow Safety (Pty) Ltd. We provide Construction Health and Safety Agent services in line with the Construction Regulations 2014, legislative requirements and deliverables as prescribed by the South African Council for Project and Construction Management Professions. We service our Clients from our office in Paarl with **integrity, reliability and professionalism** and with our **service of excellence** we have a footprint all over the Western Cape. Arrow Safety is a Level 1 BEE contributor, with management that has over 10 years of experience and a combined experience of the team of over 35 year in the health and safety industry.

Our services consist of the implementation of Occupational Health and Safety Systems that makes your business more profitable, conduct safety audits, provide safety consultants, develop health and safety files, health and safety documents and provide safety advice. Arrow Safety provides a cost effective and professional Occupational Health and Safety advisory service with a strong emphasis on **integrity, reliability and professionalism**. Arrow Safety consultants are registered with the South African Council for Project and Construction Management Professions (SACPCMP) CHSO's, CHSM and Pr. CHSA.

OUR VISION

We continuously strive to be the service provider of choice providing a full turn-key solution in occupational health, safety and risk reduction.

OUR MISSION

To achieve significant growth by developing and continuously improving our capabilities and delivering professional value-added services and solutions to our Clients through sustainable business relationships, **integrity, reliability and professionalism**.
